7. Cancellation rights

When you set up your SIPP, either by investing cash as an initial contribution or through a pension transfer, EBS Pensions Limited as Scheme Administrator will send you a cancellation notice. If you change your mind, you will have 30 days from the date you receive the notice to cancel your SIPP. Any payments received into the SIPP bank account will be immediately passed to your Best SIPP Account and will be available to invest, whether this is within the cancellation period or not. A cancellation notice will also be issued in relation to each and every subsequent pension transfer received by your SIPP, and you will have 30 days from the date you receive the notice to cancel the transfer.

Investment Instruction. I hereby instruct you to pass payments on receipt, whenever that may be, to my Child's SIPP Account. I understand/accept that if I subsequently cancel the SIPP during the cancellation period, or cancel a pension transfer-in, that:

- any monies invested will be subject to investment fluctuations if assets have been purchased during the cancellation period. As a result, the value of the repayment may be higher or lower than the amount originally invested;
- the cancellation right does not extend to work completed or transactions undertaken during the cancellation period, and so the repayment will also account for any applicable charges incurred (such as fees, applied proportionately); and
- in relation to any transfers, you will attempt to repay the transferring scheme. The transferring scheme may refuse to accept the repayment, or only accept it on different terms from those applying prior to the transfer, in which case I will give you my instructions on whether to pay the amount to another registered pension scheme.

This investment instruction should apply to the initial contribution and/or pension transfer and any subsequent pension transfer into my SIPP unless I inform you otherwise.
