2. The Structure

The Scheme is a registered pension scheme for the purposes of the Finance Act 2004. EBS Pensions Limited (registered in England No. 00998606) established the Scheme and is Scheme Administrator under the Scheme Rules, a copy of which is available on written request. The Scheme Trustee is Embark Pensions Trustees Limited (registered in England No. 06300217). The Scheme Trustee acts a bare trustee in relation to the Scheme. All monies received by the Scheme on your behalf will be applied to your SIPP for your benefit alone, in accordance with the relevant investment service undertaken on your behalf by Tilney Investment Management Services Limited, registered in England No. 2830297. (Bestinvest) registered office, 6 Chesterfield Gardens, Mayfair, London, W1J 5BQ.

The operation of your SIPP is governed by a combination of these Terms, your Scheme Application Form, the Scheme Rules and the Bestinvest Terms of Business. These form a contract between you, EBS and Bestinvest which starts from the date that the Scheme Application Form is received and accepted by EBS. In the event of conflict, these Terms shall take precedence.

EBS and Bestinvest are authorised and regulated by the Financial Conduct Authority (FCA). For the purposes of the FCA rules, EBS, and not you, will be treated as a retail

client of Bestinvest. This means that you will receive information in a straightforward way and the highest level of regulatory protection available. Although EBS may not necessarily have rights itself under the Financial Ombudsman Service or the Financial Services Compensation Scheme, EBS may be able to take action on your behalf in the event of a default or a complaint.

3. Cancellation

After setting up your SIPP, we will send a cancellation notice to you. You may cancel your SIPP within thirty days of its commencement by giving us written notification at the address shown on the cancellation form. We shall direct the Scheme Trustee to either return to you or your employer the contributions. Contributions received from anyone else will be returned to you. Monies invested will be subject to investment fluctuations if assets have been purchased during the cancellation period. As a result, the value of the repayment may be higher or lower than the amount originally invested.

There are special cancellation rules for pension transfers: if money resulting from a pension transfer is paid into your SIPP at any time we will send a cancellation notice to you. You will have 30 days to cancel the pension transfer. The transfer money will be held in cash deposit until the 30 day period has expired (unless you have instructed us otherwise in your application form).

If you cancel a pension transfer, we will direct the Scheme Trustee to attempt to repay the transferring scheme. However, the transferring scheme may refuse to accept the repayment, or only accept it on different terms to those applying prior to the transfer, in which case we will require your instructions on whether to direct the Scheme Trustee to pay the amount to another registered pension scheme.

If you choose to receive a Flexi-access Drawdown Pension, on the first occasion we will send you a cancellation notice once you have completed and returned the relevant form to us. If you cancel you will need to repay any tax-free lump sum and drawdown pension paid to you.

Any monies that are returned to your SIPP that are then subsequently invested may incur additional charges and will be subject to market conditions at the time of purchase.

If assets have been purchased during the cancellation period, any such monies invested will be subject to investment fluctuations and appropriate charges as set out in the 'Bestinvest Key facts about our services & costs document'. As a result, the value of the repayment may be higher or lower than the amount originally invested.

4. Contributions

You, your employer or anyone else can pay contributions to your SIPP on your behalf. Standing order forms for regular contributions are available on request.

Provided you are a UK resident and/or you have earnings subject to UK income tax, your contributions are paid net of basic rate tax. We will reclaim the basic rate tax and apply this to your SIPP once received from HMRC. Higher rate tax may be reclaimed by you directly through your Tax Office where appropriate. You are responsible for advising us if you are not entitled to tax relief on the whole or part of your contribution. If you have made contributions in a tax year which exceed 100% of your Relevant UK Earnings for that tax year we may agree to a repayment of the excess to you, provided that sufficient funds are available in your SIPP any amounts of tax due to be repaid to HMRC have been repaid and you have not exceeded your Annual Allowance for the tax year. If you have taken benefits or transferred the cash/assets of your SIPP to another registered pension scheme, you agree to indemnify and keep us indemnified in respect of any tax due to HMRC as a result of the above.

Tax will only be reclaimed on personal contributions once sufficient anti-money laundering documentation has been received as such, tax may not be claimed until the annual tax reclaim is made.

The basic rate tax we reclaim on your behalf will normally be reclaimed and received from HMRC between eight to twelve weeks after the contribution has been paid. This tax reclaim is made as part of an aggregate reclaim for all relevant members of the Scheme.

HMRC pay the aggregate reclaim into an Embark Pensions Trustees Limited client account from which we will promptly direct the Scheme Trustee to make the appropriate distribution to your SIPP. Any interest received on this client account in relation to your reclaim will not be distributed with the tax reclaim to your designated SIPP bank account unless such interest exceeds £10 at the time of the distribution.

Your employer can also pay contributions to your SIPP. These are paid gross and should not, when combined with your own contributions in a tax year, exceed the Annual Allowance set by HMRC.

If they do, you will be liable for a tax charge on the excess, although this can be paid from your SIPP in certain circumstances. Employer contributions are normally allowed for tax relief against the employer's profits provided they are 'wholly and exclusively paid and/or expended for the purposes of the trade, profession or vocation' of the employer.

If you do become liable for the Annual Allowance charge, we will provide you with a 'pension savings statement' as required under the relevant HMRC Rules.

We reserve the right to decline any contribution at our absolute discretion (for example, in circumstances where we have been unable to verify the identity of the contributor or where you are aged 75 or over) or where valid anti money laundering has not been satisfied.

All contributions must be in sterling cash and not assets.

5. Transfers In

You can arrange for a transfer of benefits from other pension schemes to your SIPP by means of the transfer section of the Scheme Application Form. Transfer values may be received either in cash and/or assets, provided the assets fall within the guidelines in the Appendix. We reserve the right to decline any transfer at our absolute discretion.

It is your responsibility to ensure that a transfer of other pension benefits is in your best interests. We do not give advice, nor do we check your transfer application for suitability other than to confirm that the transfer is a 'recognised transfer' for the purposes of the Finance Act 2004.

Bestinvest can provide advice based on your personal circumstances. Additional charges may apply. We will not accept the transfer of pension benefits from a Defined Benefit (final salary) scheme or transfers that include guarantee minimum pensions or guaranteed annuity rates unless you have received a positive recommendation to transfer from a firm which holds permission from the Financial Conduct Authority for the activity of advising on conversion or transfer of pension benefits.

6. Transfers Out

You can request a transfer out of part of your SIPP (provided it relates to funds representing undrawn benefits) or your entire SIPP fund to another registered pension scheme or a 'QROPS' at any time subject to applicable legislation, HMRC rules and the agreement of the receiving scheme.

This will be done as soon as reasonably practicable and without penalty although charges relating to the re-registration of assets will apply as set out in the 'Bestinvest - Key facts about our services and costs' document'.

Where the receiving scheme is a QROPS and you do not have a relevant and valid Certificate of Protection from HMRC, we will be required to test the transfer value against your remaining Lifetime Allowance and, where necessary, deduct and pay to HMRC any Lifetime Allowance Charge.

We reserve the right to decline a transfer out until we have received confirmation from the receiving scheme that it is a registered pension scheme or a QROPS and is willing to receive the transfer payment, whether in the form of cash and/or assets or if we suspect the transfer may involve pension liberation fraud. In the case of a QROPS, we will also require written confirmation from HMRC of its QROPS status and reference.

We do not accept any liability for any unauthorised payment charges that might arise in the receiving scheme in respect of the transfer of any assets that were authorised whilst in your SIPP but constitute unauthorised payments in the receiving scheme.

7. Client Money

The Scheme Trustee will hold your SIPP money as a bare trustee in an account with a bank or building society which is authorised and regulated by the Prudential Regulation Authority in accordance with the Scheme Rules. Your SIPP money will be held at all times within the United Kingdom. Neither we nor the Scheme Trustee shall be liable in the event of default by a bank, other borrower, agent, broker or other person who is holding your SIPP money pursuant to these Terms.

Interest at Bank of Scotland's published pension rates will be added to your SIPP in respect of all cleared balances standing to your credit.

Interest will be credited half-yearly on 31st March and 30th September.

Interest rates may be varied at any time. Overdrafts are not permitted. No bank charges other than for a CHAPS or a SWIFT payment are made. Payment or receipt of monies in foreign currencies may also attract charges. Cheques paid into this account take five working days to clear following receipt at Bank of Scotland.

Subject to any cancellation period (as referred to in clause 3) and any retention of deposit interest we may make (as referred to in clause 4), all cash received, once cleared, will be moved directly to your Bestinvest SIPP account for investing unless we have been requested to direct the Scheme Trustee to hold a deposit in its client account to pay you a pension.

We or the Scheme Trustee may receive a commission from Bank of Scotland based on aggregate cash balances held across all client accounts. This commission payment has no effect on the rates of interest provided by Bank of Scotland in respect of your SIPP.

A statement of your cash movements will be sent to you once a year.

8. Investments

The Scheme permits a choice of investments, details of which are set out in the Appendix at the end of this document. All cash received into the Scheme Trustee's client account, once cleared, will be moved directly to your Bestinvest SIPP account for investing in accordance with your agreement with Bestinvest under the Bestinvest Terms of Business unless we have been requested to direct the Scheme Trustee to hold a deposit in its client account to pay you a pension.

Although we do not provide advice in relation to investments and it is your responsibility to ensure that the investments you select are in accordance with the guidelines in the Appendix, your choice is subject to our final approval. We may veto or impose certain restrictions and requirements on proposed investments you may wish to make. We will do this where we become aware that a proposed investment will, or may not be, in accordance with HMRC Rules, any legislation or the Scheme Rules. This may occur for example in instances of indirect investment in residential property.

Your SIPP cannot acquire investments from or sell investments to you or a person connected with you (e.g. a member of your family, or a company which is directly or indirectly controlled by you or a person connected with you, or a partnership of which you or a member of your family is a partner).

If any asset within your SIPP is deemed to be taxable property by HMRC and/or legislation, we may direct the Scheme Trustee dispose of any such investment on giving reasonable notice to you (where practicable in the circumstances). We accept no liability for any tax charge that is applied.

9. Stock Custody

We do not have custody of your SIPP investments; Bestinvest, on our behalf, has appointed SEI (Europe) Ltd to provide custody services to the Scheme Trustee.

Your SIPP investments may be registered collectively in the name of the Scheme Trustee. Where this is the case your SIPP investments may not be separately identifiable by certificates or other documents of title and in the event of an irreconcilable shortfall after the default of the custodian you may share in that shortfall proportionately. Further information on the custodian appointed by Bestinvest on our behalf and your protection can be found in the Bestinvest Terms of Business.

10. Annual Summary of Assets and Statutory Illustration of Benefits

An annual summary of the assets held in your SIPP will be provided as at the anniversary date of your SIPP each year within twelve

months of that date. Unless you are already within two years of your chosen retirement date or in receipt of benefits from your SIPP, you will also receive with the annual summary a statutory money purchase illustration of the benefits you might receive at your chosen retirement date based on various statutory assumptions. If you are in receipt of Drawdown Pension a re-illustration will be provided.

11. Payment of Your Benefits

Once you reach the normal minimum pension age (currently 55) you can opt to take benefits from your SIPP. This can include a Pension Commencement Lump Sum normally of up to 25% of the value of your SIPP funds that you crystallise subject to any unused Lifetime Allowance you may have and a Drawdown pension paid from your SIPP which will be subject to income tax. Your pension can be paid from your SIPP fund as Drawdown Pension paid from your SIPP (i.e. it has not been secured by purchasing a Lifetime Annuity with an insurance company) or you can use the balance of your SIPP after payment of the Pension Commencement Lump Sum to purchase a Lifetime Annuity a Flexible Annuity or both.

If you opt for a Drawdown Pension we will direct the Scheme Trustee to call for money from Bestinvest to meet both the net pension payments and income tax due under your relevant tax coding. Depending on the Bestinvest service(s) you are receiving, it may be your responsibility to ensure that your SIPP account with Bestinvest has sufficient, settled funds in order that Bestinvest can satisfy this call for money, otherwise payment of your benefits may be suspended until such time as you do.

You may at any time from age 55 exercise your right to use your SIPP, in whole or in part, to purchase a Lifetime Annuity, a Flexible Annuity or both.

We will not direct the Scheme Trustee to pay benefits or purchase a Lifetime Annuity, a Flexible Annuity or both with the above terms unless:

- a. we have received a signed request from you or Bestinvest to make the relevant payment;
- b. the Scheme Trustee has received into its client account sufficient funds to make the relevant payment;
- c. we have received all required documentation and information from you that we in our reasonable opinion believe is necessary;
- d. we have received all charges due to us; and
- e. all costs chargeable to your SIPP and all liabilities of your SIPP have been satisfied.

We reserve the right, in circumstances which in our absolute discretion we consider exceptional, to defer the payment of benefits or the purchase of a Lifetime Annuity, a Flexible Annuity or both where it is not possible to realise all or any of the investments of your SIPP or it is not possible to do so on what we consider to be reasonable terms, and defer the encashment of your SIPP until it is possible to realise the relevant investments or it is possible to do so on what we consider to be reasonable terms. We will inform you when this is the case.

In particular and without limiting the generality of the previous term, we may defer payment of benefits or encashment in such circumstances until the relevant investment is realised.

Where it has not been possible to realise an investment, we may, if we so choose:

- a. direct the Scheme Trustee to transfer that investment to you in part or full satisfaction of any payment of benefits under your SIPP subject to satisfying HMRC requirements in this respect; or
- b. require you to buy the investment from your SIPP at fair market value or £1, whichever is the greater.

You must do all things and execute all documents that we may reasonably require to give effect to our rights under this term.

Your SIPP fund will normally consist of a single 'arrangement' (or pot), containing

- funds not yet used to provide benefits ('uncrystallised funds'); and/or
- funds underpinning a Drawdown Pension which came into payment on or after 6 April 2006 ('crystallised funds').

You can put any part of your uncrystallised funds into payment at any time subject to the age restrictions mentioned above.

Your SIPP fund may also consist of separate arrangements for each of the following

- funds underpinning a Drawdown Pension which came into payment before 6 April 2006;
- funds received as a transfer from another registered pension scheme which were underpinning a Drawdown Pension which came into payment before 6 April 2006; and
- funds received as a transfer from another registered pension scheme which were underpinning a Drawdown Pension which came into payment on or after 6 April 2006.

At age 75 or over EBS, with your agreement will choose the anniversary date of any one of your arrangements to be the anniversary for all of your arrangements.

A review of your Capped Drawdown Pension from each 'arrangement' in your SIPP is required at least every three years until the year in which you attain age 75 (when it is required every year). You may request a review on any anniversary of the commencement of your Capped Drawdown Pension.

12. Position on Death

On your death, we will require sight of your original death certificate. Until a beneficiary of the SIPP has been determined, we will not, and we will not direct the Scheme Trustee to, take any action in respect of your SIPP. Thereafter, we may (as appropriate) direct the Scheme Trustee to sell investments from your SIPP to provide death benefits, or otherwise terminate the SIPP in accordance with the Scheme Rules.

We are not responsible for losses in the value of investments held within your SIPP during the period between your death and the termination of your SIPP.

Your SIPP will continue to incur our usual charges until it is closed.

13. Charges

These are set out on the separate 'Bestinvest - Key facts about our services and costs' document' enclosed with these Terms, and will be deducted from your Bestinvest SIPP when they fall due.

In the event that there is insufficient cash in your SIPP to meet our charges we reserve our right on not less than three days' notice to direct the Scheme Trustee to disinvest assets held in your SIPP in order to meet them.

14. Variation

The operation of your SIPP as set out in these Terms may be varied from time for the following reasons, subject to the conditions set out below:

1. we may make a variation in order to comply with the FCA Rules or with relevant accepted market custom and practice. If we do so we shall seek to give you not less than ten business days' notice in advance, but where this is not practicable we shall notify you as soon as we can thereafter;
2. we may make a variation with a view to improving or extending the service that we offer. If we do so we shall give you not less than ten business days' notice in advance; and
3. in the case of any other variation in these Terms or in the characteristics of our services (including a variation in our charges) we shall give you not less than ten business days' notice in advance. Such notification shall be made by e-mail communication or in writing.

15. Termination

Subject to the cancellation provisions above, your SIPP shall continue until terminated by the payment of the whole of your SIPP as one of the following in accordance with the Scheme Rules:

- a. a transfer to one or more other registered pension schemes or QROPS, upon you serving written notice to terminate these Terms on us at any time (with no obligation to give any reason for the termination); or
- b. the purchase price of a Lifetime Annuity (or annuities) with an insurance company in your own name after we give you not less than ten business days' notice to terminate these Terms (with no obligation to give any reason for the termination); or
- c. through taking Drawdown Pensions which extinguish your SIPP; or
- d. one or more lump sums in the event of your death.

Your attention is drawn to the charges that may be made on a termination of these Terms, as set out in the 'Bestinvest - Key facts about our services and costs' document'.

16. Complaints

5. Risk Warnings

The value of investments and the income from them may fall as well as rise and you may not recover the amount of your original investment. Where investments are denominated in a currency other than sterling, changes in rates of exchange may have an adverse or favourable effect on the value, price or income of the investments. It should be remembered that with any type of investment past performance is not a reliable indication of future results.

Warrants often involve a high degree of gearing so that a relatively small movement in the price of the security to which the warrant relates may result in a disproportionately large movement, unfavourable as well as favourable, in the price of the warrant.
